

CCSA 2013 High Point Scoring System

CHIPS High Point Scoring Table

Directions:

1. Find the top column number for for the number of boats in your race.
(include DNFs)
2. Find the left row number for your finishing position.
(based on time corrected by Portsmouth number)
3. Look up the number of points for that row and column.
4. DNF is the number of points in Gray; think of it as placing one place after last.
5. DNS, DNC, DSQ are worth 0 points

Total Score for the Year

Directions:

1. Add up all your points for all races; highest total for each fleet wins.

		Number of Boats in the Race																			
		1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
